How we chose our topic?

We chose our topic because our interest in American war heroes and presidents, Dwight Eisenhower fit into both of these categories. He was a man that saved many lives around the world. When we found out that we were both fascinated with this famous man, we decided to work together to unravel the history of this American hero during World War II to post world war II.

How we conducted our research?

While most of the time we had to work separately, we mostly used the internet and books. One of us used a biography made by his son, John Eisenhower. While the other took notes on the internet sources. We had work separately and in the end combined our newly acquired knowledge.

How we selected our presentation category and created your project?

We were born in a time period of technological growth and by creating a website; we can use this technology to our advantage. First we began our website by utilizing the program Microsoft FrontPage. While using this program we were able to hyperlink pages to each other allowing us to finish our first step of this website. Next, we had to get it on the internet, to do this we turned to the school computer teacher, Mr. Phan; with his help we were able to put our Microsoft FrontPage to a website.

How our project relates to the NHD theme?

This man worked his way through several different military positions before coming into the positions of Supreme allied commander and later becoming the presidents of United States. His successful military actions such as the famous invasion of D-Day. He also ended the Korean war and supported middle-eastern countries fighting to hold off communistic countries.
